Directions to the McCrary Building at Baylor University

From Interstate 35 in either direction, get off at Exit 335 (University Parks Drive). Go east toward Baylor. You will go through one parking light, then pass a parking garage with a Chili's and a Starbucks and the new North Village residential community. Turn right at the first official entrance to the Baylor campus (no traffic light). The McCrary Music Building is on the left, after the art/theater building and before the library. On Saturday you can park in any space except 24-hour faculty/staff spaces. We will meet in the main lobby of the McCrary Building and proceed to the Meadows Recital Hall.
